MATT BLACK | PURPLISH BLACK | BORDEAUX RED

With aggressive lines and an eccentric spirit, **502C** is the new urban cruiser from the Company of the Leoncino, designed for those who love to stand out with style and elegance on the city streets riding a bold, modern bike. A revolution at Benelli, as it inaugurates its new cruiser line, offering a naked with a strong personality and contemporary design thanks to footpegs shifted forward, as required by custom tradition, comfortable and spacious seat with a height of 750 mm from the ground and a LED headlight assembly featuring an authentic and original design.
